Video - Branches To Recovery: Tapping The Power Of NYC's Public Libraries

To make progress toward a more equitable city, NYC has an incomparable asset in nearly every neighborhood: its 217 public branch libraries. Check out CUF's new report video that explains why.

Center for an Urban Future

Libraries are already among the city's largest and most trusted providers of programs and services aligned with New Yorkers' greatest needs. With a clear citywide strategy and a new level of investment, their impact could be even greater.

Check out the full report, *Branches to Recovery: Tapping the Power of New York's Public Libraries to Ensure an Inclusive Recovery and Rebuild a More Equitable City*.
